Regular meetings of the Trustees were held and the trustees were apprised of the activities conducted and the financial position during the respective periods under report for their concurrence and approval.

The Trustees by virtue of their previous knowledge and experience of working in close collaboration with some of the well known and deserving registered social service organizations decided to support primarily the poor people in the following areas viz., Annadanam, Educational and Vocational Support, Medical Support, Improvement of facilities at the local Panchayat School and Spiritual & Religious Services.

**1.Annadanam:** Distribution of prepared food was done twice a month to 70 poor and mentally retarded inmates of Sree Anbalayam Rehabilitation Centre at Sakthi Vinayaga Garden, Kuppanur, Madhampatti, Coimbatore-641010 managed by Sree Anbalayam Charitable Trust (Regd). Lunch or dinner was provided with sumptuous meal. Mr & Mrs Sanjiv Ray of Aishwaryam Senior Citizens Home in Karadimadai and Dr and Mrs Basker of Serene Shenbagham volunteered to help during the Annadanams. The Managing Trustee of Anabalayam Mrs. Srikala and the inmates, expressed their profound gratitude to our Trust and requested for its continuation. They have also sent a proposal for construction of a covered dining hall with proper flooring. The proposal is under consideration. Pictures and videos were taken on the different occasions.

**2.Educational & Vocational Support to the poor:** In the beginning of the financial year, regular monthly financial support was extended to the Kalvi Thunai Public Charitable Trust helping 250 poor students. After the joining of Dr. A. Basker and Mrs.P. Subha Basker of our Trust from 28<sup>th</sup> November 2023 onwards special classes in Chemistry and Mathematics were held for the XI & XII class for economically weaker students from nearby Govt schools. Dr. Natarajan, in view of his long experience in serving the aged people was consulted by Dr. Rajith, Geriatrician in charge for improving the facilities at a recently created Palliative Care Centre at the PSG Hospital for poor senior citizens suffering from chronic ailments. Dr. Rajith appreciated the suggestions.
